

Appleton West Theatre Improvement Fund

About the Appleton West Theatre and the Campaign

The Appleton West High School auditorium has been a fixture in the community for 85 years. In addition to the many student productions that have come alive in this space, in its earliest years the auditorium also served as home to the community theatre and was a movie theatre. The *Preserve the Past & Secure the Future* campaign will help transform this beloved local theatre into a state-of-the-art cultural hub.

Volunteers are raising funds for essential renovations and technological enhancements to revitalize the venue, improve acoustics, enhance lighting and sound systems, and create a more immersive experience for performers and audiences.

We welcome your help in creating a space where creativity thrives and memories are made. Learn more about the campaign: <https://www.appletonwesttheatre.com/>
